

DISABILITY MANAGEMENT COMMITTEE

Purpose: This is a joint administrative/faculty committee. It assists faculty members who have an illness/injury that extends for more than 30 days to obtain benefits from Manulife and then assists in designing an appropriate return to work plan when the illness is resolved.

Elections: Committee members are elected annually at the Annual General Meeting by the general membership for a three year term.

Chair: There is no chair, the committee works in a collaborative fashion. The Benefits Administrator from the CNC Human Resources department coordinates meetings, print materials and provides a monthly report.
